

Federal Low-Income Housing Tax Credit(LIHC) Program Helps NY provide homes to people who need them

Federal Government allots to states LIHC tax credits

NYSHCR administers LIHC

Developers apply for tax credits through competitive application process

HCR evaluates applications using selection criteria and awards tax credits

Developers are awarded tax credits to help finance projects

Investors purchase LIHC from developers to reduce taxes
Affordable Housing Completed

LIHC creates approximately 2,000 affordable homes each year for individuals and families across NYS

Homes and Community Renewal
