

Ulster County Homeowners in Need of Septic Systems Repairs or Replacement

Strengthening Homes,
Communities
and Lives

RUPCO, in coordination with The County of Ulster as the sponsor, is pursuing a \$400,00 grant opportunity to assist low- to moderate-income homeowners with private septic systems in need of repair or replacement.

RUPCO is requesting Ulster County Homeowners with private septic systems that are failing and who may be interested in participating in a grant program to provide basic information so RUPCO can better identify the need for this type of grant program.

Interested homeowners should submit a Letter of Interest
