Lace Mill Kids

Focusing on Dance, Rhythm, and Art Skills

This 4-week program will teach your child dance and rhythm in a fun and interactive way as a warm-up activity each day. Together, we'll create a "Lace Mill Kids" mural with different art mediums to commemorate our time here this summer! This program is from 10am-noon twice a week, and is open to children ages 3-5 who live at The Lace Mill.
