## July 5 – July 29

# Woodstock Commons Kids

### Focusing on Basic Acting and Art Skills

This 4-week program will teach your child fun basic acting skills as a warm-up activity each day. Together, we'll create a "Woodstock Commons Kids" mural with different art mediums to commemorate our time here this summer! This program is from 2pm-5pm three days a week and is open to children ages 5-13 who live at Woodstock Commons!

*Program Coordinator*  
Jara B. Childs

*Program Services Supervisor*  
Kim Mapes
